

## Lincoln City 2-1 Chesterfield

Lincoln needed a win if they wanted to be big play-off contenders. The game was just like last week, as City dominated in the first half. However, they struggled to put one past Chesterfield keeper Joe Anyon until the moment Lincoln midfielder Michael Bostwick's shot took a big deflection off a Spireite defender and into the goal.

The Imps got a second soon after through some bad defending and an Andy Kellet own goal. Chesterfield played really well, as Jordan Flores sent a free-kick flying on target, only to be denied by Lincoln keeper Josh Vickers. Harry Anderson made contact in the box with a Spireite: it was a penalty. Substitute Kristian Dennis put it away in the 82nd minute but, unfortunately for them, that was all they could offer.

This win means that the Imps are now just two points off the play-offs.
