

Science

This term in Science we will be learning about rocks and soils. We will be finding out how volcanoes form and the different parts of a volcano. We will be exploring different types of rocks and investigating how permeable and hard they are.

English

In English we will be exploring the Firework makers daughter. Once the children are familiar with the text, we will begin to write narratives based around the story.

Maths

In Maths we will be exploring money, statistics, measuring length and fractions. We will continue to cover the four operations alongside these units. Don't forget to keep practicing those timetables at home!!

RE

This term in RE we will continue to explore the holy trinity and looking at how symbols in the bible help a Christian relate to God.

Year 3 Curriculum Spring 2 2019

*We are a team that achieve
amazing things every day!*

PE

This term in PE we will be creating a dance that represents a volcanic eruption. In our outdoor PE sessions, we will be learning football skills and using these to play small games.

Music

In music this term we will be learning to play the glockenspiel and composing and piece of music.

Computing

The children will be learning how to debug using an app on the iPad. They will be spotting a variety of different bugs using this program.

Theme

We are continuing to explore volcanoes and earthquakes. We will be researching different volcanoes and becoming experts in the field!

EXCELLENCE - EXPLORATION - ENCOURAGEMENT
