

FRENCH

En Francais, we will be focusing on the vocabulary for clothing!

SCIENCE

This term we will be investigating energy, with a particular focus on designing and creating an alarm circuit to protect a golden nugget! Children will be developing their scientific terminology, thinking and investigating skills through a variety of fun activities.

PSHE

In PSHE, we will be exploring environmental issues, examining the importance of community and finding solutions to our problems.

We are a team that achieve amazing things every day!

YEAR 4

SPRING 2 2019

ENGLISH

In English, we will continue our reading and writing on our Ancient Greece theme, this involve studying Greek myths, and writing and performing our own play scripts! We will also write our own stories set in historical settings.

HUMANITIES

This term our focus is on geographical skills, including map work, with a focus on Greece. We will also be examining population, land use and tourism in Greece.

TRIPS and EVENTS

To mark the end of our theme this term the children will take part in an activity day based on the Ancient Greeks!

RELIGIOUS EDUCATION

This term we are looking at the Christian community and considering what type of world Jesus wanted,

MATHEMATICS

This term we will continuing to delve into the study of measures, area, and fractions and decimals!

ART

This term we will be sculpting our own Greek comedy and tragedy masks using papier mache.

EXCELLENCE - EXPLORATION - ENCOURAGEMENT
