

### Science

In our Science unit we will continue our study of light. We will be looking at how light reflects onto surfaces and how shadows form. We will be using the knowledge we have gained to create our own shadow puppet plays.

### English

In our English units we will be exploring playscripts and narratives. Our playscripts will be based the Stone Age as it relates to our topic, and our Science learning.

### RE

In our RE learning, we are thinking about what constitutes a 'good' life in different religions, including Christianity, Islam and Hinduism. We will also consider Humanist beliefs.

### Dates for your diary:

Visit to Creswell Crags – 14/06/2019

All Change Day – 17/06/19

Sports Day – 18/06/19

### Maths

In Maths we will be exploring time, angles and properties of shape, Mass and Capacity. Don't forget to keep practicing those timetables at home!!

## Year 3 Curriculum Summer 2 2019

### PE

For our outdoor PE sessions, we are going to be practicing our athletics skills, in readiness for Sports Day. We will be developing our skills in running, throwing and jumping. For our indoor PE sessions, we will focus in on multi-skills and circuits.

### ART & DT

This term in Art, we will be investigating different grades of pencils for sketching, and the work of M. C. Escher. We will also be creating cave paintings.

*We are a team that achieve amazing things every day!*

### Theme

This term in Theme our focus is on History as we study the Stone age, Bronze Age and the Iron Age. We will be looking at how people lived and how they survived; how life was different and the same. Our amazing trip to Creswell Crags will give us the opportunity to see real Stone Age cave paintings.

**EXCELLENCE - EXPLORATION - ENCOURAGEMENT**
