

Science

This term in Science we will be looking at Plants. We will be investigating what the different parts of a plant are, what a plant needs to grow and looking at what can inhibit a plant from growing.

English

In English this term we will be looking at the picture book; Journey. We will be thinking about what descriptive techniques we can use in our writing.

RE

In RE we will be looking at Islam. We will be exploring the core beliefs of Islam, and how Muslims live their lives.

Dates for your diary:

Woodside trip 27th
September 2019

Maths

In Maths we will be looking at place value within 1,000, addition and subtraction. We will also be practicing our times table knowledge through TT Rock Stars. Don't forget to practice at home using your log on!

Year 3 Curriculum Autumn 1 2019

PE

This term we will be having Synergy for our PE sessions! During our indoor PE we will be looking at creating a dance sequence using a variety of movements, levels and speeds. In our outdoor PE sessions we will look at basket balls skills; focusing upon passes, dribbling and marking.

*We are a team that achieve
amazing things every day!*

ART & DT

This term in Art we will be looking at a range of artists who have created pieces of art work based on flowers. We will create collages, use oil pastels and create our own piece of artwork using flowers. We will look in depth at the work of the artist Georgia O'Keeffe.

History and Geography

This term in Geography and History we will be looking at the United Kingdom. We will be looking at developing our mapping skills using Google Earth and atlases in Geography. We will look at how Lincoln has changed since Roman times.

EXCELLENCE - EXPLORATION - ENCOURAGEMENT
