

Our Class Book

'Journey to the River Sea by Eba Ibbotson

An Amazon adventure set in the wilderness of Brazil, **Journey to the River Sea** is filled with mystery and memorable characters. It is 1910 and Maia, tragically orphaned at thirteen, has been sent from England to start a new life with distant relatives in Manaus, hundreds of miles up the Amazon.

Religious Education:

We will be looking at what it means if God is loving and holy.

Trips and Visitors:

12th September 2019: Rainforest Roadshow

As part of our Geography studies, we will be spending the day exploring all things rainforest! We will be lucky enough to handle some rainforest animals as well as take part in some arty workshops. We'll even be lucky enough to try out some Amazonian Indian Body art on our hands or faces.

Year 6

Autumn Term 1

Science

During this term, our learning will focus on classification of different animals. We will work to sort and group animals based on their features, and we will also explore how inherited characteristics can lead to variation.

Geography:

This term, we will be focusing on the rainforest and learning about rainforest invertebrates (their lifecycles and adaptations); exploring how the indigenous people are part of the rainforest eco-system and learning about the human impact on rainforests.

Maths:

We will be focusing on the four operations during Arithmetic. We will also be looking at place value of numbers up to ten million as well as negative numbers and the order of operations in calculation.

Writing:

For our writing this term, we'll be exploring two different genres:

- Non-Chronological Reports:

These will be based on a rainforest animal that we have encountered during our Rainforest Roadshow.

- Diaries:

This will be inspired by our class book's main character, Maia.

French: Numbers up to 100

Design & Technology: Designing and making a phone case

PSHE: Big Dreams & Big Achievers

P.E: Fencing
