

Science

This term in Science we will be looking at Animals including humans. We will be exploring the human skeleton, looking in depth at the muscles and bones within body and finally looking at balanced diets.

English

In English this term we will be looking at diary entries and will be exploring the book 'Diary of a Wimpy Kid.' We will then plan and develop our own film trailer based on our diary entries!

RE

In RE we will be looking at Hinduism. We will be exploring what the Hindu concept of Brahman is?

Dates for your diary:

Week 4 – visit from a Personal trainer.

Week 7 – Christmas production Tuesday 17th December 2019

Maths

In Maths we will be looking at developing our understanding of multiplication and division. We will also be practicing our times table knowledge through TT Rocks. Don't forget to practice at home using your log on!

Year 3 Curriculum Autumn 2 2019

We are a team that achieve amazing things every day!

PE

This term we will be having Synergy for our PE sessions! During our indoor PE we will be looking at creating a dance sequence using a variety of movements, levels and speed. In our outdoor PE sessions, we will look at basket balls skills focusing upon passes, dribbling and marking.

Music

This term we will be working on songs ready for our Christmas production, which should be very exciting! This is always a fun production and we are looking forward to sharing these songs with you!

History and Geography

This term in Geography and History we will be looking at the United Kingdom. We will be looking at developing our mapping skills using Google Earth and Atlases in Geography and our knowledge of how Lincoln has changed over the years in History.

EXCELLENCE - EXPLORATION - ENCOURAGEMENT
