

*We are a team that achieve
amazing things every day!*

FRENCH

In our French lessons this term, we are saying and recognising the French words for different fruits and vegetables!

CURRICULUM OFFER

YEAR 4

AUTUMN 2 2019

TRIPS and EVENTS

This term we have arranged to have a visitor from a local theatre group come along and work with us! They will deliver an exciting 'Theatre Workshop' based on our current learning!

SCIENCE

This term, we will be describing and explaining different sources of sound. We will also be setting up experiments to explore how we absorb sound!

RELIGIOUS EDUCATION

We will be learning about different celebrations with a particular focus on Diwali and Christmas.

ENGLISH

In English this term, we will be reading and exploring a range of recounts! The children will then get the opportunity to write their own engaging recounts!

MATHEMATICS

This term we will be exploring measure and perimeter, and multiplication and division!

PE

This term we will be developing our gymnastic skills by travelling and rolling on different body parts!

HISTORY

We will be exploring the importance of the River Nile, and investigating daily life in Ancient Egypt.

ART

This term we will be evaluating Egyptian shabti then designing and creating our own!
