

Science

This term in Science we will be learning about forces and magnets. We will be exploring how forces work and move items, including friction and magnetism.

English

In our English units we will be exploring instructions and newspaper reports. We will be writing instructions on how to make a volcano and creating our very own newspaper report based on a volcanic eruption. We also hope to have a poet visit us to inspire our creativity with words.

Maths

In Maths we will be exploring multiplying a 2-digit number by a 1-digit number, money, statistics, We will continue to cover the four operations alongside these units. Don't forget to keep practicing those timetables at home!!

RE

This term in RE we will be exploring the Holy Trinity and looking at how symbols in the bible help a Christian relate to God.

Year 3 Curriculum Spring 1 2020

PE

This term in PE we will be creating a dance that represents a volcanic eruption. In our outdoor PE sessions, we will be learning football skills and a variety of invasion games.

*We are a team that achieve
amazing things every day!*

ART & DT

In Art lessons we will be exploring the work of the Canadian artist Roy Henry Vickers; experimenting with colour mixing to recreate his work. We will also be making a clay volcano.
In DT we will be creating a wall hanging by using sewing skills developed throughout the sessions.

Theme

This term in Theme our focus is on geography as we study volcanoes and earthquakes. We will be setting an exciting holiday project based on volcanoes. We look forward to seeing some amazing pieces of work!

EXCELLENCE - EXPLORATION - ENCOURAGEMENT
