

Dear Parents/Carers,

Responsible Internet Use

As part of your child's curriculum, and the development of ICT skills, St Faith & St Martin CE Junior School is providing supervised access to the Internet. We believe that the use of the World Wide Web and e-mail is worthwhile and is an essential skill for children as they grow up in the modern world.

If you would please read the attached 'Acceptable Use Policy and Agreement', and then if you and your child could please sign and return this form to school so that it will be understood that you have given your consent for your child to use the Internet at school.

Yours sincerely,

Mr M Kyle
Headteacher
