Dear Parents/Carers,

On Tuesday 19th January, we are hosting our Parents' Forum Evening in the school hall from 6:00pm – 7:00pm.

The main aim of this parents' forum is to introduce the new Maths Calculation Policy and provide you with an understanding of the methods used to teach calculation in school.

In order to ensure we have refreshments and resources prepared, please complete the form below if you would like to attend.

Yours sincerely
